Lemongrass Oil	4%
Peppermint Oil	2%
Inert Ingredients	90%
Deionized Water	
Vanillin	
Potassium Sorbate	
Total	100%

DIRECTIONS: For best results, shake well before each use. Apply liberally to exposed skin, paying close attention to your ankles, legs, arms, and hairline. Re-apply every 2-3 hours, or more often as needed. For added protection apply to clothing.

CAUTION: KEEP OUT OF REACH OF CHILDREN AND ANIMALS. Adult supervision recommended during application to children. For external use only. Not for Aquatic Use. Avoid contact with eyes and lips. Prolonged or repeated skin contact may cause allergic reactions in some individuals. If irritation occurs, wash with soap and water and discontinue use. Do not apply to the hands of children. Use on children under 6 months of age only with the advice of a physician. Do not inhale.

STORAGE AND DISPOSAL: Store in a cool, dry place out of direct sunlight. Avoid freezing. Do not reuse or refill this container. If empty, place in trash or recycle, if available. If partly filled, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

For protection from mosquitoes, fleas, chiggers, ticks, and other biting insects.

Don't let those annoying, buzzing, and biting insects spoil your outdoor activities. **Dr. Mercola's Bug Spray** is the perfect alternative to chemical-laden outdoor anti-bug sprays.

Dr. Mercola's Bug Spray sends those bugs running for the hills so you can play, fish, work or just enjoy being outdoors without worry. And it smells good, too!
