to receive special non-profit donations...*

**Hoffman Estates, IL (PRWEB) July 8, 2013** – During a 5-day period beginning today and ending July 12th, 2013, Mercola.com subscribers will have the opportunity to vote for their favorite among ten non-profit organizations. The top three charities will be awarded \$5,000, \$3,000, and \$2,000.

Dr. Mercola points out, “All of these non-profit organizations are doing important work that benefits the health and well-being of every individual. While each of these organizations are well qualified and equally worthy of our donation dollars, we’re going to let our subscribers identify the top three.”

Mercola.com actively donates to charities throughout the year. So far, in 2013, Mercola.com has donated over \$1.2 million to charities. However, for this set of donations, Dr. Mercola wanted to discover which charities his subscribers prefer.

- Alliance for Natural Health
- Cornucopia Institute
- Fluoride Action Network
- Food Democracy Now!
- Grassroots Health
- Institute for Responsible Technology
