### ORGANIC TULSI

HERBAL TEA | NATURALLY CAFFEINE FREE

LOOSE LEAF NET WT. 4 OZ. (113.3 g)

## WHY BIODYNAMIC®?

Demeter Certified Biodynamic® is the soil-first approach to farming that naturally draws carbon from the atmosphere and stores it into the ground, where it belongs, to create richer, more nutrient-dense farmlands and harvests for better food the way nature intended. This self-sustaining cycle also creates a diverse and balanced ecosystem, promoting the overall health of our crops, animals and planet.

**Solspring® Biodynamic® Organic Tulsi Herbal Tea** is grown in a community of nearly 150 third-generation, family-owned Magadi tea farms, located in the Karnataka region of Southwest India. Crafted only from the finest leaves of the plant, this herbal tea offers a smooth blend of three varieties of tulsi – Krishna, Rama and Vana – for a refreshing earthy yet minty flavor. Caffeine free, it is perfect for a calming evening beverage.
