organic tulsi lemon ginger herbal tea

Solspring Organic Tulsi, an Ayurvedic herb indigenous to India, is grown and harvested in the Southwest region of Karnataka on Magadi Farms by a community of nearly 150 small, third generation family owned tea gardens. These organic certified farms prioritize creating a self-sustaining ecosystem, placing a special emphasis on the health of the soil to produce top quality, vibrant tulsi plants. Their organic methods also focus on harmony between wildlife and agriculture as well as ecological responsibility to bring you pure, high quality teas.

Tulsi Lemon Ginger Herbal Tea offers a blend of three varieties of organic Tulsi - Krishna, Rama and Vana - along with organic ginger, lemongrass and lemon peel to create a beautifully earthy and slightly spicy flavor. Tulsi Lemon Ginger is naturally caffeine free, soothing for any time of day.

Solspring Organic Teas are sourced from farmers that use holistic, regenerative farming practices with a heavy focus on sustainability. Sourced only from top quality, organic tea farms adhering to the strictest organic growing practices and standards, Solspring farmers place importance on soil fertility and ecological responsibility to produce fresh and flavorful tea blends.

How to brew a great cup of Solspring Organic Tulsi Lemon Ginger Tea:

- Place one (1) tea bag into tea mug.
- Pour just boiling water over tea bag to fully saturate and fill up mug.
- Steep for 5 to 7 minutes, carefully remove tea bag, and enjoy.

If brewing iced tea, brew the tea as instructed above, then allow to cool and serve over ice.

To make a pot of tea or a quart of iced tea, add four (4) tea bags instead of one.

INGREDIENTS: Biodynamic® Organic Tulsi Holy Basil Leaf, Organic Ginger Root, Organic Lemongrass, Organic Lemon Peel.
