

WHAT IS BIODYNAMIC®?

Think organic but better. Demeter Certified Biodynamic®, the world's oldest ecological certification, meets the highest standards in agriculture through regenerative, soil-first practices – like plant diversity, cover crops and livestock integration, while avoiding synthetic fertilizers, pesticides and herbicides. As a result, farmers improve the health of their land and quality of our food, while cultivating a stronger planet.

Naturally gluten and peanut free, this vegan, small-batch spread is made with only ground-roasted cashews and a sprinkle of sea salt.
