smooth and full bodied
with fruity notes

whole bean

NET WT. 16 OZ.
(1 LB.) (453.5 g)

WHY BIODYNAMIC®?

Biodynamic agriculture goes beyond Organic Standards by using holistic, regenerative farming practices to promote the health of the soil, crops and livestock. Biodynamic farmers strive to create a diverse and balanced ecosystem within their farm to enhance the nutrition and quality of the food being grown with a heavy focus on sustainability.

solspring®

BIODYNAMIC® organic brazilian dark roast coffee

Solspring Biodynamic Organic Coffee comes from Fazenda Camocim, located less than a mile from the foot of the mystical, monolithic mountain known as Pedra Azul, or "Blue Rock".

Camocim Farm produces and cultivates specialty coffees without pesticides or synthetic fertilizers. Pioneers in Biodynamic cultivation, their coffee plantations are planted within the forest—a practice called agroforestry agriculture. This provides the coffee plants access to the benefits offered by the biodiverse landscape, including rich, nutrient dense soil and organic pest control from neighboring herbs and trees. The harvest is conducted by hand, selecting the best coffee cherries, which creates a low impact on the plants, the soil and the environment.

Solspring Biodynamic Organic Brazilian Dark Roast provides a smooth, full bodied flavor with light fruity notes.

Brew Guide:

1:16 Brew ratio. Use 2 tablespoons of freshly ground coffee per 6 fl. oz. of filtered water.

Match the proper grind coarseness to your chosen brewing method:

Espresso - Fine
Drip - Medium
Pour Over - Medium Coarse
French Press - Coarse

SOY FREE | GMO FREE | GLUTEN FREE
