WHY BIODYNAMIC®?

Demeter Certified Biodynamic® elevates the organic standards on regenerative agriculture. It views the farm as a living organism that follows the cycles of nature to create a balanced ecosystem, promoting the health of crops and livestock while returning life back to our soil for ingredients the way nature intended.

Solspring® Biodynamic® Organic Kalamata Pitted Olives are carefully handpicked from 100-year-old trees located in the mountainous regions of Messinia and Laconia in southern Greece.
