DR. MERCOLA®

True HEPA Air Purifier with ODOGard®

The True HEPA Air Purifier with ODOGard® is a powerful system that transforms stale, indoor air into fresh, clean air for you and your family with ease. Its innovative technology purifies 450 square feet of air twice per hour, as the air naturally circulates through the front of the unit and out the top. This unit is ideal for spaces larger than your standard room but smaller than a three-bedroom home, such as common areas and studio apartments.

Filters 99.97% of particles as small as 0.3 microns in the air, including:

Pollen

Dust

Smoke

Pet Dander

Odor

VOCs
